Definition:

An **Applicant** of Sri KDU Primary School - a child who has registered, met the school's entry requirements and has paid the **Entry Fees** (Registration Fee, Readiness Test Fee (required for Primary School applicants), Fee Deposit and Library Deposit).

A **Student** of Sri KDU Primary School - an Applicant who has paid the **Entry Fees** and **School Fees** in full by the due dates advised by the School.

The details of the **Entry Fees** and **School Fees** will be listed out in the Notice of Fees.

TERMS OF PAYMENT

1. Registration Fee

1.1 This fee is payable in full upon submitting a completed and signed registration form for your child/ward to the School. It is non-refundable and non-transferable unless the School rejects the registration.

2. Readiness Test Fee

2.1 This fee is applicable to those who are required to sit for the Readiness Test. It is non-refundable and non-transferable and shall be paid in full upon registration of your child/ward with the School.

3. Deposits

3.1 Deposits shall include the Fee Deposit and Library Deposit.

3.2 Upon receiving the Acceptance Letter from the School, full payment of the Deposits should be made by the due date stated in the letter. This is to confirm a place for your child/ward at the School. If the School does not receive the full payment of the Deposits by the due date stated in the Acceptance Letter, the School reserves the right to offer the place to another child on the waiting list without further reference to you.

3.3 Deposits are non-interest bearing and have to be maintained throughout the tenure of the student with the School and shall under no circumstances be treated as payment for School Fees or any part thereof or for any other payments required to be paid and may not be used to set-off any amount due and payable by the parent/legal guardian.

3.4 For students completing the **Primary 6** programme, the Deposits will be transferred to Sri KDU Secondary School, provided:

3.4.1 A completed and signed Acknowledgement Form is submitted to the Registry Department/Main Administration Office; and

3.4.2 All outstanding fees have been paid.

3.5 Primary 6 students who do not wish to continue to Sri KDU Secondary School must submit a written and signed notice of withdrawal by the registrant parent/legal guardian to the Registry Department/Main Administration Office at least six (6) months before the commencement of the Secondary 1 programme (of the January semester) in order to claim for the refund of the Deposits as per Items 2 to 4 of the Terms of Withdrawal below.

4. School Fees

4.1 The parent/legal guardian undertakes to promptly pay all the fees applicable in each semester in respect of each school year prior to commencement of that semester. If the parent/legal guardian defaults in payment due and payable, strictly without prejudice to the rights of the School in respect of any other term enumerated herein, the School reserves the right to refuse entry to the School to any student. The School reserves the right to de-register the student if School Fees remain unpaid upon commencement of the semester. Deposits cannot be used to offset School Fees. The School also reserves the right to withhold all examination results, certificates, school records of the student and the Deposits until such time when all payments due in respect of the student are received from the parent/legal guardian. A late payment surcharge of 5% will be levied upon all overdue fees.

4.2 Parents or the legal guardians of the student are jointly and severally liable for the payment of fees, save where specific written agreement to the contrary has been obtained. School Fees must be paid even in the case of absence due to injury, illness or any other causes.

4.3 Upon commencement of semester, **School Fees** are not refundable or allowed to be offset in any circumstances.

4.4.3 **Exam fees** paid for the national exams are not refundable as the Malaysian Examination Syndicate (MES) does not refund exam fees after they have received payment of exam fees from the school. Exam fees are also not transferable and cannot be used to offset any fees owed to the school as the fees are paid directly to MES.

5. The following criteria shall apply for payment of fees, charges and deposits:-

5.1 All fees and charges must be paid in accordance with the Notice of Fees applicable at the material time and by the due date specified by the School regardless of whether the child is physically present at the School.
